INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir/Madam:

In accordance with Rule 56, applicant is aware of the publication listed in the enclosed copy of Patent Office Form PTO/SB/08A. This publication was first cited in a Japanese Office action dated October 30, 2007 (copy attached, along with an English translation) in the corresponding Japanese application. A copy of this publication is enclosed herewith. The first three publications cited (JP H10-338111, JP H7-81520, and JP H6-107118) were previously filed in an Information Disclosure Statement dated June 12, 2007. The fourth publication cited, JP H9-175327, was previously filed in an Information Disclosure Statement dated July 21, 2005.

If there are any fees as a result of this communication, please charge same to our Deposit Account No. 18-0160 Order No. SHG-16197.

Respectfully submitted,

RANKIN, HILL, PORTER & CLARK LLP

NOTICE OF REASONS FOR REJECTION

Application Number: 2004-004650
Drafted: 2007/10/26 (year/month/day)
Examiner: Michihiro HAYASHI 3525 3W00
Attorney: Masatake SHIGA et al.
Cited Articles: Article 29, Paragraph 2

<<Final>>

This application should be rejected for the reasons laid forth below. If the applicant wishes to comment thereon, the applicant is invited to submit a response within 60 days from the Mailing Date of this notice.

REASON

The invention(s) according to the below-listed claim(s) of the present application could have been easily made prior to the filing of the present application by a person with average knowledge in the field to which the invention(s) belongs based on the invention(s) described in the below-listed distributed publication(s) or made available to the public through electric telecommunication lines in Japan or elsewhere prior to the filing of the present application, and it is therefore deemed to be unpatentable under the provisions of Japanese Patent Law, Article 29, Paragraph 2.
